

Beloved Int'l

February 2016

Hello God's beloved ones,

We are excitedly preparing for another trip to Slovenia! We will be ministering again in the many churches throughout the country from March 17-April 3. That is just a little over 5 weeks away!

Last month, we purchased the flights.

Thank you all for your faithful support and giving, because we had the necessary funds to buy the tickets from the donations we have received the last several months.

Praise the Lord! We are believing God that the rest of the funds for the trip will come in soon.

The Lord told us back in 2002 —

“Son and daughter, there will be international travel in the days ahead. I’m gonna open up Eastern Europe and even into Russia to you in the days ahead. You’ll know what it is to touch that people of that land. And they’ll look at you and say, ‘Man, those aren’t just rich, spoiled Americans, but they’re Kingdom people who know how to impart Kingdom values, who can have an appreciation and understanding, and who have a heart for people who are in this system that we’re in.’ Son, I’m gonna give you the divine ability to work within Babylon’s system where people are held captive by religion. Son, you’re gonna be able to know what it is to run the Underground Railroad for Me. You’ll know what it is to come in the midst of their system, to emerge in the midst of it, and then literally lead the captives from being in captivity and bring them into a place of liberty in the days ahead. “

It has been 14 years since the Lord breathed that vision into us, and in the last two years, we see the Lord beginning to open up Eastern Europe to us. Our hearts were instantly connected with that region when we first visited Turkey and Slovenia. It’s exciting and we are eager to see what the Lord has planned next!

Dan has been preparing his heart and filling it up with the message from Heaven that will liberate the hearts of the Slovenians and cause them to walk in their rights and privileges as sons of God.

The Lord has been impressing my heart to bring a boost to the children's ministry in the churches of Slovenia, because as it's been said, "It's easier to train up a child than to repair an adult." The children are often kept in the service with their parents, except the church in Šentjur which has taken the children to a separate room. When I contacted the Pastors Klemen and Carol, they said that they haven't had children's ministry the last 6 months, and seemed grateful for help in this area.

Here are some things you can help us pray over —

- Pray that our message and ministry would be well-received without hindrance, and that the Word planted in the hearts of the Slovenians would take root, grow, and bring forth the fruit of righteousness in them.
- Pray for good children's workers to rise up in each of the churches.
- Pray that we would build stronger relationships with the believers we've connected with, and that the Lord would give us more connections in this beautiful country.

Also, in June, we will be heading to Slovenia again and to Turkey for the annual Holy Spirit Conference.

Thank you for all of your prayers and financial support!
All of your gifts go toward trip costs and strengthening ministries overseas.

Be greatly blessed,

Dan, Veronica, and Rachel Bean
