Hello Beloved,

Happy Resurrection Sunday! Thank you, everyone, for all the love, financial support, and prayers! We know that many of you followed updates from our last trip on Facebook, but we would like to give an overall summary of our February-March trip.

This was our sixth trip to Slovenia and the first time we ventured out of the borders of Slovenia into Croatia, Serbia, and Hungary. This was the longest trip we've ever taken — eight weeks. We went to 16 church services in 7 different churches. We met eight new pastors/leaders. We went to 15 Bible studies, prayer meetings, and conferences. We went out for "coffee" or dinner in order to fellowship with church leaders and pastors more than 40 times. We also visited the sick and helped out with Healing School. And these "travelers" drove 4,000 miles!

We strengthened relationships and created new ones, encouraged the churches with good Bible teaching, strengthened the pastors, put finances into the churches, and learned more about their culture and history (who they are and how they think).

Some very significant things that also happened — we connected Jim Puhr in Budapest with the church leaders in Slovenia. Jim's ministry in Eastern Europe funds new church plants, so through this connection two Slovene pastors received several thousand dollars of support. Also, Jim is over Joyce Meyer's ministry in Eastern Europe and through this connection a Joyce Meyer Facebook page was created in Slovenian.

Another very significant thing that happened — Dan's book, Healing Basics, finished translation into Slovenian and 500 copies were printed which are now circulating into the churches of Slovenia.

Another very significant thing was a weekend of meetings with Sharon Stone in the capital city, Ljubljana. Through her, the Lord spoke to us about the upcoming year and extremely specific future plans. We were so encouraged!

This 8-week trip was very effective but also brought new challenges. We disenrolled Rachel from public school and home-schooled her during this trip. She was doing schoolwork all hours of the day, including in the car as we drove all over. Being away from our American comforts for such a long time was also challenging. One sweet pastor's wife said to me after a particularly challenging day, "If you were here for only 2-3 weeks, it would be like a vacation; but when you're here for 8 weeks, you're becoming one of us." It was so good to hear that the heart of the Slovene people is getting into us.

We finally met Dom and Linda Vetter from North Dakota. They were our first connection with Slovenia in 2014.

We met pastor Boris and some of the believers in Novi Sad, Serbia.

We met pastors Zlatko & Jasna in Koper, Slovenia

The 15th annual women's conference in Ljubljana, Slovenia was impressive.

Three full days of Healing School with pastors Klemen and Carol Vidic. We cooked food, baked cookies, and laid hands on the sick. Many were healed, filled with the Spirit, and had their faith built with the Word of God.

This man received the Lord, was healed, delivered from alcoholism, filled with the Spirit and spoke in tongues. He came to the Healing School and testified that he was a changed man!

This man received healing of his hips.

Please, pray for our next trip which will be to Slovenia and Turkey in August-September of this year.

We have been praying for you, our partners, that the Lord will increase you and that you would have a fresh revelation of His love for you.

Thank you for helping us reach Eastern Europe with God's abundant love.

Be greatly blessed,

Dan, Veronica, and Rachel Bean
