# Beloved

I N T E R N A T I O N A L

**Hello Beloved,**

We are finally preparing to leave on our missions trip to the Balkans. Having missed two months in the spring, we are planning to stay the whole summer overseas. So, we plan to be out ministering from June 1<sup>st</sup> to the end of September.

We are very grateful that Slovenia was the first country in the EU to declare the pandemic over. ([Click on the picture](#))

That means that when we arrive, we will not have to be quarantined for a week.

We will be able to begin ministering as soon as our feet hit the ground.

The Lord has given us several new connections with pastors in Croatia, Montenegro, Bosnia, Albania, and Macedonia. We are really looking forward to meeting these men and women of God and also learning the culture of these Slavic countries south of Slovenia.

During this trip, we will be going twice to Turkey, once in July and then again in September. We will go with Larry and Kay Mills to spy out the city of Cappadocia in order to plant a church there in the near future. We will also be ministering in the cities of Antakya and Van, and helping with this year's Holy Spirit Conference again. This year's conference will be held in central Turkey instead of the west side.

The rest of our itinerary is yet to be set. The airlines are not fully opened yet and there are certain restrictions still in some of the countries. This month, we will have a better idea on how to schedule meetings.

While waiting for airports and borders to open, we have kept ourselves busy working on recording teaching videos, and uploading them to our new YouTube page. [\(Click on the picture\)](#) We have already received some amazing testimonies from people who have been touched by our videos. Also, our churches in Lakeland and in Clearwater never shut their doors, so we have been ministering and strengthening both of our churches for the last several months.

We've been able to send some extra financial support to some of the churches. We also sent money to two churches in Serbia and Montenegro so they could buy food for their people during this crisis. The pastors were very grateful and they were able to help many families.

The Lord has been directing us to expand Beloved International. We will be raising up and sending out missionaries throughout the Balkans. There is such a huge need to spread the gospel in these unreached nations.

Please, be in prayer for us and for the Balkan nations. We fully believe that we are protected and that the Spirit will guide us every step of the way. Dan and I are praying that the Lord will give us favor with these new pastors when we meet them and that the people of these countries will receive the message of God's love and be transformed. Please, be in faith with us.

We want you to know how much **we love all of you**, and **we are praying for you**. All of you who are supporting us and sending us out are a vital part of this ministry.

Thank you for your financial and prayer support. Your partnership helps make it happen.

**Thank you!**

Be greatly blessed,

**Dan, Veronica, and Rachel Bean**
