Hello beloved ones,

Vesel Božič!

Merry Christmas! ("Vesel Božič" in Slovene) We hope you are enjoying a wonderful Christmas season. We pray for you, our partners, that you would be strengthened and increased, that the joy of the Lord and His peace would be in your hearts during the holidays. May you treasure the time you have with your family and friends and make happy memories together.

Next ministry trip: February-March 2017

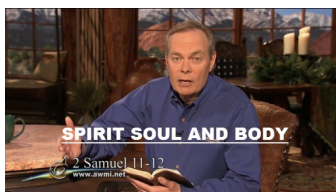

We have been doing a lot of preparation for our winter trip coming up, and the Lord has been helping us all the way. I am continuing to learn the Slovenian language. One of the Slovenian pastors connected me with Polona Verovsek who is tutoring me twice a week in the Slovene language using Skype. The lessons are much more intensive and I am making much faster progress in learning the language.

The Lord has done miraculous things in our reservations of flights, car rental, and the house rental for this trip. Dan has been in the habit of watching Sky Scanner daily for flights, and they have been running about \$1240 a piece. But a couple of days before Thanksgiving, he noticed the flights were running \$416 each! He could hardly believe it. He went to the actual airline website, and the flights were really \$416. He booked the flights immediately and then came downstairs to tell me. When he showed me the cost of the flights was \$1248, I said, "Ok, that's times three, right?" He replied, "No, that's the total cost. I'm still trembling over it." So, the Lord saved us about \$2500 in flights!

More great news:

In October we had asked if anyone wanted to help cover the cost of printing Andrew Wommack's book, Spirit, Soul, & Body. The translation had just been approved and we needed \$2500. We asked, and you helped! \$3100 came in!

They were able to use a printer in Croatia, and it only cost \$1700! The rest of the money is going toward printing more copies of already translated books, like Kenneth Hagin's, The Believer's Authority, and Healing Scriptures.

We are continuing to study the Word and prepare for ministry in Slovenia. Now that we have gotten better acquainted with the country and the people, we can bring the Word to them in a greater way.

The Slovene culture seems to have cold, lifeless traditions that the older people are entrenched with. The younger generation seems to be secular and unaware of who Jesus is. There is a small percentage of believers in the country but we desire to see that number increase greatly.

Please, be in prayer for us and for these specific needs —

Open doors and hearts — Every trip we have made to Slovenia has allowed us to meet new pastors in new cities. We also want to pray that the hearts of the Slovenian people would be enthusiastic to us and free from offense.

Colossians 4:3 NKJV meanwhile praying also for us, that God would open to us a door for the word,....

Breakthrough — Pray for the joy of the Lord to overflow and melt away their cautiousness, and for the great liberty that the Holy Spirit brings to set them free.

The pastors and ministers in Slovenia — Pray that they would grow spiritually so that their ministry and the people under them would flourish.

Thank you for all of your prayers and financial support! It is greatly appreciated and well-used! We now have our 501c3 non-profit organization status, so you can now send donations directly to us and get tax credit for your giving. We believe that the Lord is faithful, and that He will meet every need as we obey His leading to reach Eastern Europe.

Be greatly blessed,

Dan, Veronica, and Rachel Bean
